	DRY 普柜			REEFER 冻柜*
	General commodities except Kunming dry 普通货(昆明普通货除外)	Metal scrap 废金属**	Wastepaper 废纸**	
All CY terminals and water ports	10 Calendar Days	14 Calendar Days **	15 Calendar Days **	4 Calendar Days *

(Note:

1. Detention Counting Principle

Inbound: Detention is counted from 2nd day laden container discharged at terminal till empty container return to terminal or depot

Outbound: Detention is counted from 2nd day empty container picked up from terminal or depot till laden container to be loaded on barge or rail

2. * The normal reefer free time is 4 calendar days except for Zhanjiang and Kunming, the special free time is 5 calendar days for Zhanjiang area.

3. ** The barge which loaded Metal scrap or Wastepaper should arrive destination within 3 days from the day departing HIT&CCT, otherwise, will charge barge company detention fee as per below tariff

4. Hunan outbound detention counting as bellows:

1) For Hunan stuffing outbound fireworks, if empty container picked up from Beihai, allow 20 days free detention which is counted from 2nd day empty container picked up at Beihai till laden container to be loaded on barge at Beihai; if empty container picked up from Hunan, allow 10 days free detention which is counted from 2nd day empty container picked up at Hunan till laden container to be loaded on barge at Beihai.

2) For Hunan dry outbound during low water season, allow 20 days free detention which is counted from 2nd day of empty pick up from APL appointed depot / terminal in Hunan till laden to be loaded on barge in Hunan.

5. Kunming inbound & outbound detention counting are as bellows:

1) * Reefer Inbound by Trucking
