Dear Mr. Agron:

On behalf of Customs and Border Protection, I want to thank you for submitting your Supply Chain Security Profile Questionnaire. By joining with us in the Customs-Trade Partnership Against Terrorism (C-TPAT), you are contributing to the security of our borders and to the continued free flow of international trade.

The participation of Eagle Marine Services, Ltd., as well as others from the port authority and terminal operator communities, is but a first important step in what promises to be a sustained effort to meet the challenge posed by the terrorist threat to the United States. Your role in the C-TPAT is to continue current efforts to secure your operations against possible compromise, communicate your efforts to your business partners, and maintain a high level of compliance in other Customs related areas.

Our commitment to you, consistent with our mission-critical objectives, is to provide an entry process marked by the efficient release of goods and the prompt resolution of any outstanding issues affecting Customs processing of shipments through your areas. In addition, Customs is in the process of assigning a person who will act as your liaison for all C-TPAT related matters. In the interim, please feel free to contact the Customs Headquarters C-TPAT office with any C-TPAT related questions.

After careful review of your security profile, we are pleased to inform you that you have completed your Supply Chain Security Profile commitment and we welcome you as a certified member of the C-TPAT program. Customs will proceed to Eagle Marine Services, Ltd., with C-TPAT benefits. Forthcoming benefits will include anti-terrorism training seminars, sharing of information and best practices, etc.

Please be aware that as part of the continually evolving security process, C-TPAT participants should develop and maintain a complete and detailed security plan to be available for Customs to review upon request. Also, as part of your ongoing C-TPAT commitment, a self-policing program should be developed in order to review security procedures on a regular basis. Please see the attached document with regards to self-policing. U.S. Customs will soon provide all partners with a C-TPAT yearly assessment to be completed by the appropriate company officials.

Again, I welcome you as a C-TPAT partner and I thank you in advance for your support in this important effort.

Enclosed you will find a co-signed copy of the C-TPAT agreement and a consent form, to be signed at your discretion, granting Customs permission to mention your company's name during public events dealing with trade security issues.

If you have any questions, please contact me or have a member of your staff contact Robert Jacksta, Executive Director, Border Security & Facilitation, or Robert Perez, Director, Customs-Trade Partnership Against Terrorism, at (202) 927-0520.

Sincerely,

Sincerely,
Jayson P. Ahern
