

ATS – Atlantic South Service (Westbound)

THE APL ADVANTAGE

- Fast transit time from last port of call in Europe (Bremerhaven) to first port of call in U.S. (Newark)
- U.S. Flag ship capability
- Two U.S. gulf port direct calls at Houston and Mobile
- Extensive use of the U.S. intermodal network, an APL strength, for links to key destinations and customer markets
- Shipment status, documentation, and customer service always available at www.apl.com
