

CMX—China Middle East Express

THE APL ADVANTAGE

- One of the industry's fastest services that connects North China via Shanghai and Ningbo as well as Hong Kong/South China directly to the Middle East
- Direct call at Shanghai, gateway to the Yangtze River Delta, tapping into a rapidly growing export market

- Provides premium connection for sea-air cargo from Shanghai, Hong Kong and Chiwan direct to Dubai
- Direct call at Sohar and Sharjah, two important hubs in the Middle East
- Connects to APL's extensive Middle East feeder network via Jebel Ali
- Priority berthing at Jebel Ali ensures faster and more efficient cargo handling
