

PCE-Pacific Coast Express (Westbound)

THE APL ADVANTAGE

- Extensive coverage to central China with our Qingdao call
- U.S. flag service with direct westbound calls in both Japan and Korea
- Strong intermodal connections at both APL's Global Gateway South terminal in Los Angeles and Global Gateway Central in Oakland

- A late-week close in Oakland and a direct port call at Dutch Harbor, along with fast transits to Yokohama, mean your climate-controlled refrigerated cargoes will reach market in top-quality condition
