

SZX - Suez Express Service (Asia to U.S.)

THE APL ADVANTAGE

- Service reach now extends north to the Pearl River Delta providing fast 25-day transit to New York (mid-day Thursday arrivals) using the APL-operated South Asia Express (SAX) connection at Singapore
- Significant D45 all-water capability opens up now to each of the service's four U.S. East Coast port gateways
- Non-stop 17-day garment service to New York from Colombo also supports entire Subcontinent
- Vietnam and other South East Asian origins, as well as Australia, enjoy accustomed high APL service levels with excellent connections at Singapore
