The APL Advantage

- One-stop solution combining various modes of inland transport to move your shipment door-to-door in a timely, cost-efficient and environmentally friendly way
- Extensive and reliable inland network which guarantees the highest service quality
- Ready equipment availability for timely deliveries
- Dedicated and tailor-made solutions for your needs
- Access to main inland locations:
 - Approximately 4 hours transit time between Hsinchu and Taoyuan
 - Approximately 3 hours transit time between Miaoli, Nantou, Changhua and Taichung
 - Approximately 4 hours transit time between Chiayi, Tainan, Pingtung and Kaohsiung.
- Max weight limitation: 28.5 tons (cargo + tare). Availability of equipment including special containers (open-top and flat rack) upon request.
- Allows 24 hours notification prior to transport of import and export carrier haulage (subject to equipment availability)
- Customs clearance can be conducted at port of origin for export and port of discharge for import.

Be empowered with insightful data on your in-transit cargo's movement and condition. Deploy TRAXENS.

Get compensated in full for goods damaged or lost during transit. Choose Serenity.
