

U.S. FIRMS Codes

Facilities Information and Resource Management System (FIRMS) codes are used when communicating with a U.S. Customs Port of Entry and are required for import paperwork, inbound transit orders and other customs documents.

Note: The following information should be verified for accuracy prior to use for the entry or delivery of cargo. APL will not be held responsible for complications or cost resulting from discrepancies or omissions to this information.

| State | City | FIRMS Code | Location | Site Code | Facility Type |
|---------|--------------|------------|---|-----------|-------------------|
